## "BEATING THE HEAT" PICTURES

Here's a selection of story-telling photographs taken by capable amateurs and professionals on hot summer days. These fine seasonal pictures demonstrate the many ways in which one basic theme can be depicted by different camera artists.

POPULAR PHOTOGRAPHY is published monthly by the Ziff-Davis Publishing Company at 185 N. Wabash Ave., Chicago 1, Ill. Entered as second-class matter July 30, 1937, at the Post Office Department, Chicago, Ill., under the act of March 3, 1879. Entered as second-class matter at the Post Office Department, Ottawa, Canada.

SUBSCRIPTION RATES: In U. S., Canada, Mexico, South and Central America and U. S. Possessions, \$3.00 for twelve issues; in British Empire, \$4.00; all other foreign countries, \$4.00 for twelve issues. Subscribers should allow at least two weeks for change of address. All communications about subscriptions should be addressed to the Director of Circulation, 185 N. Wabash Ave., Chicago 1, Ill.

CONTRIBUTIONS: Contributors are advised to retain a copy of their manuscripts and illustrations. Contributions must be accompanied by return postage and they will be handled with reasonable care, but this magazine assumes no responsibility for their safety. Any copy accepted is subject to whatever adaptations and revisions are necessary to meet the requirements of this publication. Payment covers all author's, contributor's and contestant's rights, title, and interest in and to the material accepted and will be made at our current rates upon acceptance. All photos and drawings will be considered as part of the material purchased.

# Spiratone Values Can't Be Beat

## SPIRATONE

BLACK AND WHITE  
AND  
COLOR SERVICES

for films taken with Argus, Leica, Mercury, Bolsey, Clarus and similar cameras, are known and used the world over. Spiratone Ultra-Fine-Grain Processing is unexcelled and individually made enlargements on finest bromide paper are of the highest quality. Despite low cost, Spiratone-made enlargements are not the result of mass-production, but are made with extreme care by highly skilled 35MM technicians, trained to give you maximum details and maximum brilliance on your prints, yet bringing out the subtle halftones which make the enlargement a 'picture'. The charge for Spiratone 35mm services includes fine grain processing—prices listed apply to undeveloped as well as to already developed (uncut) rolls.

### "STRIPPINGS"

are ideally suited for filing and selecting reprints. Each negative is individually exposed and printed on a continuous roll of paper.

### "EXCELSIOR"

3 1/4 x 4 1/4 glossy enlargements.  
20 exp. 55c 36 exp. 75c 65 exp. \$1.20

### "SUPERB"

3 1/4 x 1/2 double weight velvet enlargements.  
20 exp. \$1.10 36 exp. \$1.75 65 exp. \$3.50

### "MASKOSPOT"

The 'most highly perfected' 35mm service—luxurious work within every 35mm fan's reach. Each enlargement is not only individually timed and judged for proper contrast paper as in the 'Superb' and 'Excelsior' services, but also masked for best composition. Minor blemishes are removed by spotting on the finished prints. The 'Maskospot' is available on glossy or velvet paper, and in three sizes.

|               |         |         |         |
|---------------|---------|---------|---------|
| 3 1/4 x 4 1/2 | 20 exp. | 36 exp. | 65 exp. |
|               | \$1.60  | \$2.50  | \$5.00  |
| 3 1/2 x 5     | 2.00    | 3.00    | 6.00    |
| 4x6           | 2.25    | 3.50    | 7.00    |
