## FEATURES

**64 Lean, Mean, and Green** Honda's all-new low-cost Civic offers quantum-leap improvements in fuel efficiency, emissions, and safety.

**67 Essential Technology Guide to TV** Go on, be a couch potato. Just be sure you do it in high-tech style. Our tech tour tells you how.

**72 The Wing Flies Again** An exquisitely restored 1940s Northrop flying wing is back in the air. It still looks like the shape of tomorrow.

**78 Honey, I Shrunk the Mice!** A newly discovered hormone cuts the weight of obese mice. It may hold hope for the nation's legion of frantic dieters.

**12**  
What's New:  
Multipurpose  
saw is king of  
convenience.

**81**  
FYI: lowdown on  
how an electric  
car works.
