matter what the road condition. Thunderbird responds to commands as if it were an exten-

sion of the five senses. It is a driver's car.

### The Link between Man and Machine.

Thunderbird's interior is designed around the driver for a heightened sense of comfort and command. The steering wheel is located in such a way as to keep your arms comfortable. Climate and entertainment controls are centrally placed, an easy reach away. And all power-option controls are nestled in the central console center.

In other words, Thunderbird fits you.

### Thunderbird in Total.

Thunderbird is a new blend of aerodynamics, performance, comfort and control. It represents a new kind of car that from any perspective is a turning point in American road machines. Pure form. Pure function. Pure Thunderbird.

Mileage estimate: 29 est. hwy., 21 EPA est. mpg. For comparison. Your mileage may differ depending on speed, distance, and weather. Actual highway mileage and California ratings lower.

Get it together — Buckle up.

Have you driven a Ford . . . lately?
