It's a two-faced clothes hamper.....	74
Ice bed below—hot tray above.....	80
The Western Kitchen.....	96

### The Cover Story

The fanciful structure on our cover is one of two portable changing rooms that we report in the poolside living story starting on page 48. Those old-fashioned, fancy cut shingles are once again available on special order, in almost a dozen different shapes. Glenn Christiansen took the color photograph in the garden of Mr. and Mrs. Grant B. Culley, Jr., of Portola Valley, Calif.
