Chain bag is a kneeling pad.....	105
A room where skiers arrive and depart.....	118
Desk on poles — desk on the wall..	120
Here is where the wood goes.....	124

### The Cover Story

The heart of the mountain vacation house you see on the cover is this lofty, two-story-high living room with its separate fireplace areas—one on the balcony, and another that serves more as an intimate conversation area underneath. You'll find more about the house on page 88. The color photograph is by Ernest Braun
