

"What makes me believe in LYSOL?"

"LYSOL kills most bathroom germs"

"I always use LYSOL in the baby's room"

Wipe down floors, walls, woodwork, furniture in the nursery with LYSOL. It kills strep germs, staph germs, even flu virus.

"Dirty laundry makes me believe in LYSOL."

Add LYSOL when you wash towels, sheets, hankies, underwear, diapers. It significantly reduces odor-causing germs — and everything comes out LYSOL clean.
