AUGUST 2003 VOL. 10, NO. 8

162

Features

42 Mach 1 vs. Bullitt
We see how Team Mustang's Mach 1 and Bullitt stack up to each other

70 Grunt Junkie
It's not the looks of Jeff Honeyman's '94 GT that puts 'em to sleep

102 Love at First 'Stang
Kurt Yankolonis fell in love with Mustangs at the ripe young age of 11

122 First Fangs First
Tens are only the beginning for this record-breaking '03 Cobra

162 Beg, Borrow, and Squeeze
Chris Tuten relies on a little help from his friends to squeeze the Real Street competition

170 The Chosen One
Carl Meek chose to build a show car with a lot of muscle

On the Cover: Randy Lorentzen used his new digital gear to professionally freeze our Mach 1-versus-Bullitt test in time, while upstairs we somehow decided to use one of Uncle Robin's amateur (did we just type that?) photos of his Real Street engine to attract your attention.

178 Mad Skillz
We're jealous of the talents Shawn Talboo displays on his '86 GT
