

CHRISTMAS CONTENTS

December, 1942

Vol. XXIX, No. 1

INSPIRED by Mr. and Mrs. Christmas who had greeted guests at the home of the Walter N. Eckleys and were shown in our December, 1941, issue, Mrs. P. J. Shea copied them with such success last year that she won a first prize (\$12 in war stamps). At the left you see them in front of the porch at their Shelby, Mont. home.

U. S. PARA-SKI TROOPS

THE PATH OF WAR

Telephone lines are the paths of war. Marching over them in endless file are messages that must get through.

There's no way to build more lines because materials are going into arms for men like these American para-ski troops. But there is a way you can help keep the wires clear for urgent needs.

Please don't make Long Distance calls to centers of war activity unless they are VITAL.

Remember — war calls come first!
