Talented people, the Cobles, as you can see from details of their living room—Mr. Coble's painting over the mantel, Mrs. C.'s effective way of combining unusual accessories. Almost all decorating was planned to utilize furniture the family already owned. To show off the pine and cherry woods, the Cobles selected deep blue for their walls. For a most complete tour of their home, turn to page 29. Photograph by Kranzlen Studio.
