Decorating Is Fun!

... a copy of

DOROTHY DRAPER'S

fascinating, practical, and completely new book on furnishing and decoration

IN THIS unique and utterly delightful book Dorothy Draper presents a totally new approach to decoration: a serious book written by a woman who has made an outstanding business success. Starting as an amateur, Dorothy Draper is today a leader in the field of decoration and design. Her book shows in a most practical, definite way how easy it is to become your own decorator and to have fun doing it. She tells how one can make a captivating and comfortable home; how to use color cleverly. Line drawings illustrate clearly the right and wrong ways of arranging furniture. Specific directions are given

on how to buy shrewdly and how to balance a room and a slender budget at the same time. Photographs show actual details in specific decorative treatments and case histories illustrate the author's theories and prove their adaptability to every-day problems.

Vivid, stimulating, practical—no more helpful book on decorating for those of average means could be found.

"Decorating Is Fun" is a big volume, containing 250 pages, beautifully bound in blue linen-finish cloth and embellished with silver-colored stamping on the backbone. It sells through the regular channels for \$2.79, but you may have it free if you accept our present offer of membership in the Literary Guild of America.

Why the LITERARY GUILD Offers You This Important Book FREE

The principal reason is to encourage immediate acceptance of our offer of free membership in the Guild so that we can demonstrate the extraordinary book values which you get as a Guild Member. When you realize that you will have the privilege of getting many important new \$2.50 to \$5.00 books, fiction or non-fiction, whenever you want them, for only \$2.00—we feel that you are practically sure to join the Guild at once.

How to Save Up to 50%

The Literary Guild selects for you each month the outstanding new books from the forthcoming lists of the leading publishers. Although the publisher's editions sell for from \$2.50 to \$5.00, if bought individually in the stores, Guild members pay only \$2.00 for these same books, in handsome Guild editions. Guild selections are delivered to members, on approval, the same day the publisher's edition is placed on sale.

Magazine "Wings" Free

Guild members receive free the famous Guild magazine WINGS, which contains articles about the current selection and its author, and includes a special contribution by the author. It is profusely illustrated. WINGS is also an invaluable guide to all important current reading, for each month it reviews about 30 new books, any of which may be purchased through the Guild at the established retail price.

WINGS also contains an advance description of the book to be selected the following month. If you feel you do not want that book, you merely notify the Guild not to send it when the time comes. On the other hand if the selection sounds interesting, you may have it sent for your approval. Guild members are not required to purchase a book every month. As few as four selections within one year keeps your membership in force.

Other Advantages of Membership

Members who purchase four Guild selections within the six-month period between January and June, or July and December, are rewarded with a free Bonus Book worth \$3.00 or more. Full details of this popular plan will be sent you upon enrollment. The Guild Service starts as soon as you mail the coupon. "Decorating Is Fun!" will be sent to you immediately. Send no money—just the coupon. Accept your FREE Guild membership at once.
