THE AMERICAN HISTORICAL FOUNDATION PROUDLY

FIELD MARSHAL ERWIN ROMMEL LIMITED EDITION P-38

A Limited Edition of Only 100 Deluxe and 300 Collector Model

Collector Edition shown.

50th ANNIVERSARY WORLD WAR II 1945-1995

"Rommel, Rommel, Rommel."

All that matters is to beat him!"

Winston Churchill to Field Marshal Montgomery, 1942

The "Desert Fox." Today the mention of Field Marshal Erwin Rommel's nickname is enough to conjure up images of Rommel at the head of a dusty column of Panzers crossing the North African Desert. Considered by friend and foe alike as the finest operational commander of World War II, Rommel was more than just a great General. An honorable and chivalrous officer, he was the most famous collaborator in the plot to assassinate Adolf Hitler on 20 July 1944.

Now, in the 50th Anniversary of World War II Victory, The American Historical Foundation introduces a bold new commemorative to show respect for one of the most studied professional soldiers of all time.

The Field Marshal Erwin Rommel Limited Edition P-38

For this tribute the Foundation has secured a cache of original German matching number P-38 pistols. Actually made in Germany during World War II, these superb pistols have been in storage since their capture in 1945! The Field Marshal Rommel Limited Edition P-38 is available in two editions; the Collector and the Deluxe. In addition to the precision workmanship of an investment grade original P-38, the Collector Model (shown above) is enhanced with the following special features:

- The pistol displays a combination of mirror and satin-polished finishes, and bears elaborate hand-engraving in a German Oak-leaf style. Banners inscribed with Rommel's name, birth and death dates are engraved and Gold-gilt inlaid on the left side of the slide. For enduring value, the trigger, hammer, grip screw and safety are all plated in 24-Karat Gold.
- An exquisite cloisonné medallion adorns the presentation side of the custom checkered Walnut grips. Depicting the initials "DAK" for Rommel's Deutsches Afrikakorps (or German Africa Corps) over a palm tree, this medallion is similar to the original Africa Corps emblem

To safely display, and protect your investment, a custom-built Walnut Display Case with a locking glass lid is available. Easily wall mounted or displayed flat, it features a German Gray fitted lining and I.D. plaque. 14" x 9" x 3"

used in North Africa on everything from tanks to Rommel's stationary! The Deluxe Field Marshal Erwin Rommel Limited Edition P-38 features all the exquisite details of the Collector Edition, but is further embellished by the entire presentation banner being hammer inlaid with 24-Karat Gold. In dramatic contrast, Rommel's name and dates are hand-engraved and black inlaid.

Strictly Limited Edition

Just 300 Collector Edition Models are available with serial numbers ER001C through ER300C (ERC for Erwin Rommel Collector).

Only 100 Field Marshal Erwin Rommel Limited Edition P-38 pistols are being reserved for the Deluxe Edition. The Deluxe Edition is serially numbered from ER001D through ER100D (ERD for Erwin Rommel Deluxe).
