## SOUTH BEND 10" LATHE

*Handles More Jobs*

10" x 4-1/2' QUICK CHANGE GEAR FLOOR LATHE . . . . . \$993.35  
f.o.b. factory with 1 ph. motor and drum switch.  
Time payment terms available

You'll do more and better gunsmithing with this South Bend 10" x 4-1/2' Precision Lathe. It is capable of handling the most exacting work and has ample capacity—1-3/8" spindle bore to permit chucking gun barrels through the spindle for turning, facing, threading, boring and other operations; 10-3/8" swing over bed and saddle wings; 32-3/4" between centers; and cuts 48 screw threads ranging from 4 to 224 per inch. Practical attachments are available for cutting metric screw threads, milling, grinding, wood turning, and many other operations. Write for a catalog and name of our local distributor. Also, ask for literature on the NEW South Bend 14" Drill Press—it is unsurpassed for accuracy, ease of operation and dependable service.
