**THE COVER:** Tremendous progress has been made in rifles and optics since 1964, a fact often forgotten by some traditionalists. The latest Winchester Model 70XTR in .270 Wby. Mag. is fitted with a Tasco 3-9X Wide Angle scope in Tasco World Class steel rings on a Tasco base. The accompanying binoculars are Tasco's new 322BCW 7x50 Model 70 in .30-'06 with 3-12X Tasco variable in still popular Buehler mounts and p. 26, and a "Dope Bag" report on the new Model 70, p. 58. Design by Colin Moore, photo by David Wesbrook.
