

WALTHER
WORLD CLASS ARMS

9MM PARABELLUM

P38

Copied everywhere, it's the most famous sidearm of WWII—the pattern for all modern D/A 9mm's, and it's still one of the best—even after 50 years. Walther is THE company where great guns are born!

9MM PARABELLUM

P5

Sleek, slim lines, smooth trigger action and automatic internal safeties. Lightweight for your carrying comfort with the fine fit, feel, finish and the flawless function that is built into every Walther!

9MM PARABELLUM

P88

The ultimate double-action large-capacity 9mm for professionals. Totally ambidextrous with automatic internal safeties. They call it the "Mercedes" of modern handguns—the best in world class. You'll agree!

Mixed Bag	Jim Rikhoff 96

THE COVER: The Freedom Arms Model 252 is probably the most expensive .22 single-action revolver on the market; "Dope Bag" testing proved it the most accurate by far. The Model 252 delivers accuracy on par with the finest single-shot pistols. The target design is by Rocky Mountain Target Co. Cover design by Doug Barnes; photo by John R. Lamson. See "Dope Bag" report, p. 46.

CAUTION: All technical data in this publication, especially for handloading, reflects the limited experience of individuals using specific tools, products, equipment and components under specific conditions and circumstances not necessarily reported in the article, and over which the National Rifle Association (NRA) has no control. The data have not otherwise been tested or verified by the NRA. The NRA, its agents, officers, and employees accept no responsibility for the results obtained by persons using such data and disclaim all liability for any consequential injuries or damages. See asterisk * section in staff column, page 4.
