Hang a trophy before you fire a shot.

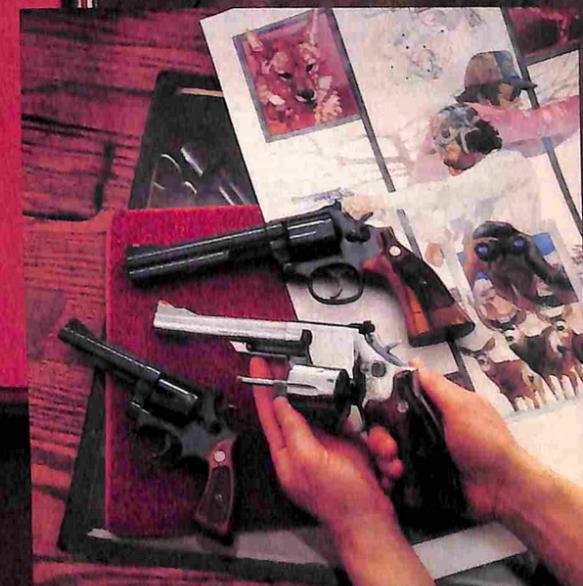

Now, when you buy a selected Smith & Wesson handgun*, you also get a beautiful, limited edition print that features your new gun.

The handguns. There's something special about owning a Smith & Wesson. Something more than S&W's fast, flawless double action. More than the crisp, clean single action. More than the right combination of weight and balance. It's the knowledge you can't own a better handgun.

The Handgunner Print. Smith & Wesson commissioned the noted wildlife illustrator, Joe Isom, to create an exclusive work of art for purchasers of selected S&W handguns. Each print will be signed by the artist and bear the serial number of the specific gun purchased. Just send us copies of BATF Form 4473 and your bill of sale (indicating Federal Excise Tax has been paid), and we'll send you your one-of-a-kind print.
