THE COVER: Winchester has brought back the pre-'64 style action that earned the title "Rifleman's Rifle." From top: a prewar .257 model with a now-discontinued Leupold Alaskan scope in Leupold mounts, a Classic Sporter with 6X Leupold Compact in Buehler mounts and a Super Grade with a Nikon 3-9X scope in Bock mounts. Design by Harry L. Jaecks, photograph by Carl B. Neustrand.

CAUTION: All technical data in this publication, especially for handloading, reflects the limited experience of individuals using specific tools, products, equipment and components under specific conditions and circumstances not necessarily reported in the article and over which the National Rifle Association (NRA) has no control. The data have not otherwise been tested or verified by the NRA. The NRA, its agents, officers and employees accept no responsibility for the results obtained by persons using such data and disclaim all liability for any consequential injuries or damages. See asterisk * section page 4.
