## "STAR" BACON★ makes so many dinners different and better

STAR BACON has to be delicious! Only the finest looking and most tender sides of bacon are chosen for the Star Label. Then the flavor is developed by curing and smoking processes that are unequaled in accuracy. The smoke and heat are under absolute control—just as you regulate the heat in your oven.

Star Bacon is sold in pound and half-pound window-top cartons that let you see the bacon you buy; also sliced to your order from the original piece.

Put Star Bacon on your market list. Be sure you see the words "Armour's Star" on the window-top carton or on the wrapper and rind of the original piece. Mail the coupon now for a free copy of the recipe book with its 36 Ways to Serve Star Bacon.
