Tan DuraSoft® is a full 8 oz. cotton blend... lasts 3 to 5 times longer than 100% cotton or other 5-6 oz. fabrics. Resists ripping or tearing. Our custom-tailored covers are made from over 8000 different patterns. Machine washable without shrinkage. Light tan color keeps car 10% cooler. Tan DuraSoft® fabric is treated with 3M Scotchguard™ for water repellency. It is highly breathable. Windy conditions. Patent #4355839. We back our covers with a 2-year warranty on materials and workmanship. The quality construction includes double stitched seams and seamers sewn in to insure a snug fit and tie-down loops for high wind conditions. . . PLUS our covers are lifetime guaranteed not to damage your car's paint.

**OTHER CAR COVERS**  
100% cotton fabric will rip or tear easily while other fabrics don't have the durability of Tan DuraSoft®.  
Other car covers are designed to "universally fit" many cars.  
100% cotton fabrics will shrink.  
Darker covers absorb heat.  
Many other fabrics are coarse or flannel lined. . . which can damage your car's paint.  
This option not available on any other car cover.

## Features

**NASH:** While competitors were going under right and left, Nash weathered the depression and subsequent recessions in relatively fine fashion. With George W. Mason at the helm, the major independent was primed for the post-war boom . . . . 4

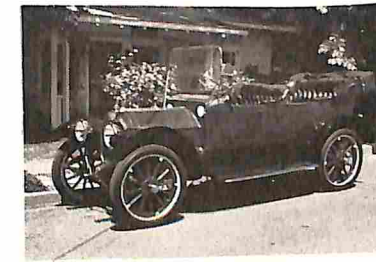

**BOSS MUSTANG:** Ford's sensational little pony car thundered into the 1970's with a whole herd of tire-smoking muscle machines. One of the best remembered, but certainly not one for the timid or faint of heart, was the Mustang Boss 302 . . . . . 14

**DESOTO:** In 1956, the DeSoto Fireflite convertible was awarded Indy 500 pace car honors, and the company commemorated the event by offering a special gold-and-white Pacesetter edition loaded with equipment . . . 22

**APPERSON:** Elmer and Edgar Apperson were among the first to build a motor car. That was in 1894 and by the time this 1912 Jackrabbit was made, the two brothers had earned a reputation for producing quality, innovative motor cars . . . 30

**MERCEDES:** Discovering the genius of Karl Benz . . . . . 18

**SPORTSMAN:** Style and luxury in a '56 DeSoto hardtop . . . . . 26
