VOL. 23, NO. 8

- THE MONTHS AHEAD**
Prices and interest rates going up . . . crackdown on unasked-for credit cards . . . a prepay plan for legal services . . . carry a telephone in an attaché case. On page 4 advice on pulling a trailer. On page 6 a preview of TV this fall. **3**
- HOW WOULD YOU PAY A \$15,000 HOSPITAL BILL?**
A basic hospitalization plan covers only ordinary costs, not the whopping bills of a long or serious illness. That's why major medical insurance is so vital. Here's what it covers, how it works, what it costs, how to find the right policy. **7**
- BE YOUR OWN WEATHERMAN**
You can learn to make forecasts yourself . . . and do it pretty accurately, at that. **11**
- COPING WITH THE MORTGAGE SQUEEZE**
Advice for buyers and sellers, plus a table showing rates & terms in 18 cities. **13**
- WHAT HOME ECONOMISTS SAY ABOUT APPLIANCES**
Changing Times questioned them about good & bad features, instructions, service. **15**
- SKIP O'ER THE WAVES ON A SCOOTER**
Have you seen these zippy little watercraft that are speedy and agile and fun? **20**
- THE REMARKABLE SCIENCE OF SILENT SOUND**
It can remove cataracts, clean your silver and perform a long list of other tasks. **21**
- CONSERVATIONISTS: WHO CONSERVES WHAT?**
Concerned about conservation but confused about the many groups in the field? This guide sorts out the goals and achievements of the national organizations. **24**
- LET YOUR BROKER HOLD YOUR STOCKS?**
There are advantages to having a "street name" account. Here's how it works. **28**
- WHAT'S GOING ON IN SCHOOLS & COLLEGES**
Tips for freshmen . . . teaching sex . . . parochial school crisis . . . learning laws. **29**
- THOSE DEADLY ONE-CAR CRASHES**
Often the cause is a mystery. Now researchers are zeroing in on what happens, and they've come up with surprising findings. Knowing them could save your life. **31**
- SPENDING CASH CAN BE A WAY TO SAVE**
How and where you shop makes a difference, and so does how you pay your bills. **35**
- THINGS TO WRITE FOR**
Useful reports, pamphlets and booklets . . . some are free . . . all are useful. **36**
- GOOD NEWS: A SHOT FOR GERMAN MEASLES**
One more dangerous disease can be controlled, and the search goes on for ways to conquer others. See the table for facts about the vaccines now available. **37**
- YOUR QUESTIONS ANSWERED**
Replies to queries from readers . . . things you too may have wondered about. **40**
- SYSTEMS ANALYSIS? WHAT'S THAT?**
This widely used technique for solving problems is not too widely understood. Yet the theories behind it can be explained in terms of ordinary family problems. **41**
- QUIT MURDERING THAT HAMBURGER!**
In a nation that eats hamburgers by the zillion it's hard to find a good one. **46**
- DID YOU CATCH THESE POINTERS?**
Test yourself with some questions based on recent articles in this magazine. **47**
