COVER: Nothing captures the opening of the year's racing season in the Northeast like the pavement Modifieds at such traditional tracks as Martinsville, Thompson, and Stafford. Howard Hodge captured Charlie Jarzombek, winner of the weather-delayed Thompson Icebreaker, and third-place finisher Richie Evans side by side at Thompson. Coverage of these Modified events begins on page 20. Richard Oakley caught Fran Colson's beautiful Pro Stock Firebird, featured on page 76.
