COVER: For a variety of exciting racing amid beautiful surroundings, it's hard to beat the Miller Time 500 at Virginia's Martinsville Speedway in the spring. Mike Slade spent the weekend photographing the NASCAR Sportsmen, Late Model Stocks, and Modifieds in action for our coverage, which begins on page 28. Additionally, he caught Billy Colton (#59), Mike McLaughlin (#3), and George Brunnhoelzel Jr. (#28) for our cover. Also adorning our cover is what has become the most photographed Grand National car of the '85 season. Robert Harmeyer Jr. is responsible for this dynamic shot of Bill Elliott's Coors-Melling T-Bird. Complete Winston 500 coverage begins on page 76.
