

America's Leading Circle Track Racing Magazine

Seasons in Review

- 32 WINSTON CUP '89** Highlights of a hard-fought season.
- 59 SPRINT SHOOTOUT: WoO/USA** The new USA squared off against the the old WoO in '89.
- 65 CART '89** The 1989 PPG Indy Car World Series crowned Emerson Fittipaldi.

Features

- 26 MILLION-DOLLAR CHAMPION** Decided in the last race of '89, Rusty Wallace reigns.
- 44 BEST OF THE DECADE** Ten years of growth and excitement.
- 62 TO THE POINT** Scoring the major associations.
- 100 HANGIN' OUT WITH A.J.** Kickin' back with America's greatest race driver.
- 108 CIRCLE TRACK CLASSIC** Peter Revson's M-16 McLaren—why it *didn't* win the '71 Indy 500.
- 127 1990 RACING PARTS SHOWCASE** A bevy of components for the competitive racer.
- 190 DRY-SUMP OIL PUMP & COMPONENTS USER'S GUIDE** Pump up your dry-sump system with these fine products.

100

Tech

- 80 BALANCING ACT** Why, when, and how to balance your racing tires.
- 90 GETTING PUMPED!** A look at the advantages of dry-sump oiling systems.
- 116 A CLEAN SHEET OF PAPER** What would you do if you could redesign your favorite race engine?
- 124 INFRARED INTELLIGENCE** A look at the many uses of infrared technology, and how it applies to racing.
- 150 RACER'S WORKSHOP** Technical Editor Peter Saueracker gives you the real scoop a sticky subject—tire softeners.
- 158 DOIN' THE MONSTER SWAP** A new dance designed to make your slow-footed tow rig a kickin' asphalt rocker.
- 168 MAIL-ORDER REBUILT** Sun Engine provides a low-budget answer to engine swapping for street or tow vehicle use.
- 176 CORNER SCIENCE** How you can use models to design or improve your rollcage structure.
- 184 MIDGET POWER** Tom Madigan reports on an exciting new source of power for Midgets that answers the need for small engines.
- 196 READERS' TECH TIPS** Tips on what to do with leftover rivet heads, how to prevent loosening of your driveshaft yoke retainer nut, and more.
- 198 TRACK TECH** Smokey talks about the Monte Carlo vs. the Lumina, MECA's reverse cooling system, and the '68 Camaro.
