## 14 PLAYER X

Our anonymous NFL columnist has a problem: Too many guys play for the paycheck.

## 16 NEXT LEVEL

Midseason coaching changes can trigger sharp turnarounds in any sport. But fans shouldn't fall in love with the new boss—and front offices shouldn't hand out fat contracts—until they see long-term successes.

## 18 VOICES

Guest writer Tommy Tomlinson kicks off our new column by discussing something that happens to everyone, and especially to elite athletes: falling down.

### OFF THE FIELD / BETWEEN THE CRACKS

The road to the Super Bowl is treacherous, nerve-racking and downright fun. How do we know? Some NFLers told us so... Ducks forward Corey Perry battles Mrs. Ryan Getzlaf **FOR LOVE OR THE GAME... SIX THINGS** you should know about being a first responder for action sports... A **COLLECTION** of medallions used for the Super Bowl coin toss... LA Kings wing Dustin Brown smiles wide for **BODY SHOT**.

### INSIDE THE LINES / AROUND THE GAME

## 47 NBA

NBA vets rarely become better shooters midway through their careers. Try telling that to Josh Smith, Al Jefferson and Richard Jefferson.

## 50 NFL

For football fans and their on-field heroes, the phrase "Super Bowl Champion" has, quite literally, a great ring to it.

## 56 COLLEGE BASKETBALL

A blazing-hot offense coupled with a full-court press D is helping San Diego State make impressive inroads into March.

## 58 THE MOMENT: Danny Davis

Horsing around on an ATV forced the high-flying snowboarder to miss a year of competition, including last year's Olympics, because of a broken back. He's since learned his lesson.

## 60 MOTORSPORTS

Nine months after a life-threatening medical condition put Brian Vickers' NASCAR career on hold, he's ready to show the Cup field he means business.

## 62 SCALE OF 1 TO 10

Athletes (who aren't boxers or mixed martial artists) rate their fighting skills.
