Features

- 22 Twilight: To Die For** The novels have enraptured a generation of girls—and their moms. Here's the inside story of bringing the phenom to the screen.
- 32 One Tree Hill** Once an afterthought to its own network, *Hill* now may be TV's craziest show. Even crazier? It appears to be working. By Jennifer Armstrong
- 39 A Dozen Comedians (With Extra Ham)** We predict these 12 funny men and women are the future stars of comedy. By Whitney Pastorek and Dan Snierson
- 45 David Cook: Facing the Music** He rocked his way to an *Idol* win. With his new album, Cook faces some tougher judges: the CD-buying public. By Chris Willman
