

People who can watch any TV  
want to watch Hitachi UltraVision.

The picture on Hitachi UltraVision is so

Mer  
Vintage

The picture on Hitachi UltraVision is so stunning it is bound to attract a crowd. The reason is Hitachi's exclusive six element UltraFocus Super Bright Lens System, which creates an image of exceptional brightness and clarity. And Hitachi's Magic Focus, the world's only automatic convergence system, ensures perfect focus to keep the picture super sharp and clear. Once you see Hitachi UltraVision for yourself, you'll wonder why anyone would want to watch anything else.
