

## Make Your Own Cider, Wines, Juices with this **New! HOME FRUIT GRINDER and CIDER PRESS!**

Not a flimsy cider press but a complete—and completely new—SYSTEM for grinding and pressing delectable "tree fresh" cider plus juices for wines and dozens more home-made beverages!

The precision Grinder quickly transforms ripe fruit to "pomace" slurry for pressing. A few turns of the powerful Pressing Screw, and golden juices start cascading into your collecting bucket. It's easy to make up to 3 gallons of cider from a bushel of apples in less than 30 minutes. And there's nothing to compare with the taste of your cold, pure cider fresh from pressing!

- Save Money! Use your own apples for free cider, or buy low-cost "drops."
- Make cider, apple juice, vinegar. Press juices from cherries, cranberries, tomatoes, peaches, plums. Preserve extra juices or store in freezer.
- Winemakers! Press grapes or other fruit for dozens of wine recipes.
- You get ALL-NATURAL juices. No chemicals or preservatives.
- Earn extra cash pressing fruit for neighbors!
- Available complete or in easy-to-build KITS. Or you can get GRINDER or PRESS ONLY, either complete or as KIT.
- NEW from Garden Way—and priced far below commercial units!
