YOUR JANUARY-FEBRUARY COVER

The "depression era" handloading setup on this month's cover will probably arouse fits of nostalgia from many Handloader readers. The 1923 Arms And The Man provides loading data for .30-06 cases headstamped "FA 20," using Du Pont No. 80 powder and UMC 110-grain "mushroom" bullets. The scale is a Fairbanks/Modern Bond while the loading tool is an Ideal. Photo by Rick Jamison.
