## Dish

- 35 Jane Girl of the Month** Laura Prepon is so tall, yet so vulnerable.
- 36** Chloë Sevigny reveals her favorite places to hang out, drink and listen to the Smiths.
- 38** Now that it's winter, we're getting into the serious, award-contending movie season. But these three great films are full of cute boys and aren't at all painful to watch.
- 40** Will Kate Moss's new high-waisted, wide-legged pants cause fashion pandemonium like her skinny jeans did?
- 44** Your kids will call these seven CDs "classic."
- 46 The Same 5 Questions We Always Ask** Franz Ferdinand's Alex Kapranos would become a vegetarian before giving up whiskey. We love rock stars who love tofu.

## Fashion/Beauty

- 104 Haute Sport** Designer athletic gear (no sweat required)
- 114 Bright Color, Big Hair** Throw out your straightener and work with what your mama gave you—voluminous hair.
- 120 Portraits of the Artists** Our favorite female artists work high-fashion ensembles as only true aesthetes can.

## Life

- 71** Ever misbehave at an office party? We ask three girls just how rowdy they've been with their coworkers.
- 72 Work** Speaking of, find out if you're about to get fired or if you're just paranoid.
- 74 Health** They call stress "the silent killer." Combat it with highly addictive medications (oh yeah, and herbal tea).
- 76 Travel** Can't afford a trip to Paris? Head to Montreal, where the exchange rate doesn't suck and you can say "bonjour" without sounding pretentious.
- 78 Relating** How to exploit your boyfriend's unemployment, and tips to get him off the couch
- 79 Sex** Scientific reasons you can't find a guy who's as good in bed as you are
