

Linus Ulbricht's father had been a pastor early in the history of the Minnesota South District, and Ulbricht wanted to make a gift to the Lord's work that would honor the memory of his pioneering father.

Minnesota Districts Planned Giving Counselor Glenn Thiel helped Ulbricht find the perfect way to fulfill his dream: help build a new district office building. The old building was cramped, the location was inconvenient and parking was inadequate. As a result, Ulbricht included in his will a gift that more than paid for the new headquarters in Burnsville, Minn. In addition, Ulbricht's gift is being used to support a scholarship fund for students attending synodical colleges and seminaries.

Whether you're interested in helping an individual, congregation, district, world missions or the Synod, a Planned Giving Counselor can show you how the Foundation can serve you as you serve the Lord.
