While you read these words, if you by circumstance are forced to remain away from the Annual Championship Matches of the N.M.L.R.A., hundreds of shooters with guns of every vintage will be competing at the Friendship, Indiana range of the Association. Our word to you is that we wish you could be present. Hundreds of men and women, you may be assured, however, during those six big days,

will uphold to a new pinnacle, the traditions of the guns for which this group and this association lives.

Under many new conditions of existence — covered firing line — some new officers — new endeavors, may the Association grow, flourish and prosper.

“Bull” Ramsey home again! We stopped in to see “Bull” and found him in very good spirits. Although he will be confined to his home for at least sixty days, his meditations will be with his many friends at Walter Cline Range who have come to know him through the years.
