Looks great on paper.  
Feels even better in person.

### Presenting Delta BusinessElite™

There are a lot of reasons to fly Delta's new BusinessElite, but don't take our word for it. Experience it for yourself. With more personal space than other leading airlines' business classes, and our convenient BusinessElite Concierge service at all 32 intercontinental destinations, we think you'll agree. BusinessElite to Europe, Japan, India and Brazil simply outclasses business class.

For reservations, visit us at [www.bizelite.com](http://www.bizelite.com) or call Delta Air Lines at 1-800-241-4141. Or see your Travel Agent today.

Personal space is defined as the sum of legroom and recline. Legroom based on measurements taken from the foremost point of the bottom seat cushion to the back of the seat in front of it using non-bulkhead seats on a widebody aircraft of Continental (DC10-30), British Airways (747-200), Lufthansa (A340-300) and American Airlines (767-300). ©1999 Delta Air Lines, Inc.
