

**NO
PULP
FICTION.**

**It's our prices,
not our titles,
that are cheap.**

You won't find second-rate, run-of-the-mill books at Daedalus. Instead, we offer an incredible selection of great titles on all kinds of topics. From history to poetry, mystery to psychology, philosophy to biography. All are top quality remainder books that you may not be able to find anywhere else.

What are remainders? They're "surplus" books. The difference between what a publisher prints, and what gets sold. Daedalus sells the best of them at less than half the list price. So call today for your free catalog. Or visit our website and order online. Great books at unbeatable savings. Reads like fiction, but it's our true story.

THE COLLABORATION DOES.**

And the collaboration is everywhere. Together, Lotus® and IBM created a collaborative solution called INFO, using Lotus Domino®. INFO connects Olympic Family members so they can access schedules, check scores, research athlete profiles, and more. It's one of the many ways super.human.software helps e-business people work together.
