IN 1983, HIS STORY INSPIRED ARCO. IN 1988, IT INSPIRED HOLLYWOOD.

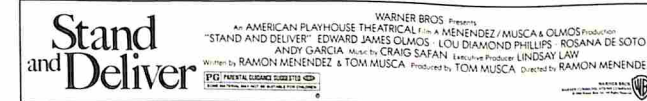

Edward James Olmos portraying Jaime Escalante in "Stand and Deliver."

Since 1983, the ARCO Foundation has been supporting a summer math program for high school students at East L.A. college. The teacher, Jaime Escalante, took a group of students from the barrios of East L.A., and taught them the most demanding of all math sciences. Calculus.

His methods were so unconventional, the results so incredible, that Jaime's story was made into the movie "Stand and Deliver."

ARCO is proud to be a continuing part of Jaime Escalante's vision, giving students a better chance in life.
