ON THE COVER: It's a city at the center of three great world religions, a place where eternal visions compete with temporal passions. As the summiteers at Camp David try to make peace, what will be the fate of Jerusalem? The sacred city's storied past, vibrant present—and uncertain future. **TOBACCO'S JUDGMENT DAY:** Behind the record-breaking \$145 billion verdict against the cigarette makers. **Big Tobacco's long and perilous road ahead.** **THE MEANING OF MUSIC:** Scientists are discovering that our brains may be prewired for music. How melodies affect our minds, and may even help out with that math homework.
