

**HIGHLIGHTS OF THIS ISSUE:**

- New Maxi-Oils Last Longer in Hard Driving** PAGE 56  
In today's traffic, many cars are running hotter than is good for them. New maxi-oils will give you better high-temperature protection.
- The Real 200-mph, 38-mpg, \$2965 BD-5!** PAGE 80  
Fasten your seat belt! Jim Bede's little single-seater plane can zip you 1000 miles in six hours. It's fully aerobatic, too.
- Deep in the Earth with the Monster Moles** PAGE 84  
Maybe right now, underneath you, one of these million-dollar machines is chomping through rock—as fast as 400 feet a day.
- Stacked Box Beams: Super-Strong Way to Build** PAGE 88  
Here's an ideal approach to constructing a vacation home—especially if you have a problem site. And it's a great work saver.
- Keeping Cool and Dry with a Dehumidifier** PAGE 91  
It cures that summer problem—too much moisture in your house. PS tells you how dehumidifiers work, how to choose and maintain one.

Imagine positive rack and pinion steering like our Jaguar's.

The reliable, race-toughened engine of our MGB.

Rugged transmission and disc brakes like our Triumph's.

The same parentage as our Land Rover.

All in the Austin Marina.

The tough economy car from British Leyland. \$2675.\*

Because it is comprised of proven components like those in the best of British Leyland, the Marina is one of the most experienced new economy cars on the market today.

The Marina has cat-like roadability, thanks to rack and pinion steering and torsion bar suspension, a sports car responsiveness with four-speed gearbox and front disc brakes, and the reliability of the MGB engine, already proven in over 2 billion miles of driving.

What's more, everything comes en-

closed in Marina's strong steel body whose lean, clean lines reflect the English appearance of uncluttered good looks.

Long-lasting good looks that are protected by an extensive anti-corrosive electroplating process and 64 square feet of undersealant for added protection.

Test drive the new Marina 2-door GT or 4-door sedan at your Austin MG dealer. For his name and for information about overseas delivery, call (800) 447-4700. In Illinois, call (800) 322-4400. The calls are toll free, of course.
