**COMING NEXT MONTH**

- We don't want to give away all the surprises in December PS—but here's a sneak preview:
- Erle Stanley Gardner tells you about the remarkable new non-lethal weapons—some already in use; some on the way—that will enable police to control rioters, or even desperate criminals, without endangering the lives of innocent citizens.
  - A skilled "odometer artist"—the guy who turns back the mileage on used cars—writes (anonymously) about this widespread practice that not only cheats you out of dollars but can kill you if you wrongly believe you're driving a low-mileage car... With a few tips on how you can avoid being duped.
  - PS' dare-anything reporter Bob Gannon takes an LSD "trip" in the interests of science.
  - Norbye/Dunne Report: Test-Driving the '68 Chevelle, Belvedere, Rebel.
  - PS Blueprint Project: A Coffee Table with Storage Space... and a great deal more. On sale November 28.
