**THE STYLE YOU WANT,
THE FEATURES YOU NEED**

BR3400 BAG (NO SISSY BAR NEEDED)
Saddlemen's all new BR3400 bag defines what convenient luggage is all about. Its unique design features two mounting systems that allow it to be easily attached to your motorcycle's seat, luggage rack or sissy bar, while the quick-detach feature allows it to be removed from the motorcycle in just seconds.

FEATURES:

- Also serves as a backrest, with a backrest pad that can be adjusted to support passenger or driver
- Sturdy grip handle for convenient carrying, and detachable backpack straps for easy off-the-bike jaunts
- Rugged blend of fabric and leather-grained materials looks great on any type of motorcycle; internal structure maintains bag shape even when empty
- Two spacious top-loading compartments: one large enough to hold a full-face helmet and another for additional cargo
- Padded laptop storage compartment and organizer pocket for added capacity
- Five external pockets, two of which can be expanded
- Five internal mesh pockets; two outer mesh pockets
- Rain cover with security tether protects the bag from the elements
- Top exterior flap can be adjusted to carry a jacket
