## D-A gets AROUND

If you ride in races, scrambles, climbs or just for pleasure, you're missing a lot of performance and engine life if you aren't using D-A SPEED-SPORT OIL... the toughest engine oil in the WORLD!

D-A SPEED-SPORT OIL offers the film strength required to protect your precision air-cooled engine from the effects of heat, wear and scuffing. D-A eliminates foaming, varnish and exhaust valve deposits, and maintains more than adequate viscosity... this protection is constant, regardless of how hard you run your engine.

Remember, if you want your engine to operate more smoothly and quietly, don't settle for less than the best in engine protection... specify D-A SPEED-SPORT OIL—you'll forget your motorcycle even has an engine!

... The Toughest Engine Oil In The World!
