

ROD & Custom

FEBRUARY 1994 Volume 28, Number 2

33

A historical look at some of the finest Ts and As of all time. They each represent a different era of hot rodding.

59

We traveled to York, Pennsylvania, and found this awesome Model A coupe cruising the fairground. It was too good to miss so we flagged it down for a few photos.

84

Pleasanton, California's Alameda Fairgrounds was filled to capacity with 3000 awesome street rods and customs.

FEATURES

- 20 Years Of The '50s** 20
The Minnesota Street Rod Association held its 20th Anniversary Back To The '50s event, and it was a great time for everyone.
- 25 Top Ts And As** 33
We look at some of the most impressive Ts and As from the '50s through the '80s.
- Sketchpad** 40
Thom Taylor and Steve Stanford provide some inspiration for that old A or T sitting in your garage.
- Goodguys West Coast Nationals** 84
Pleasanton, California, was rockin' and rollin' with some of the finest rods and customs in the country.

RODS & CUSTOMS

- The A Man** 24
Brian Bauer's collection of functional Model A Fords.
- Hand-Me-Down** 27
This '31 Model A sedan ended up being owned by the last of five brothers.
- Purple Haze** 30
A purple '51 Mercury two-door custom that is absolutely perfect.
- Haulin' Tall** 46
Ray Jeffery's newstalgic '27 T Tudor is as nice as they come.
- A Pair Of Slammers** 52
Dan Zank's super '29 roadster and Dan Murphy's wild '28 pickup are both as low as they can go.
- Grade A** 59
One of the nicest Model A coupes on the East Coast. Joe Sarcone built a real winner!
- Great Balls Of Fire** 76
A sliced and diced '53 Chevy that is absolutely flawless.
- Fun In The Sun Valley** 78
If you like rare customs, this '54 Mercury Sun Valley fits the bill.

TECH/HOW-TO

- Deep Purple II** 48
Pat Ganahl is finally working on his Caddy-powered Deuce roadster. Step one: Disassembly and checking the frame.
- 50 New Car-Building Tips** 63
Ideas to help you build your dream rod or custom.
- Passing Gas (Stations)** 80
Installing a Tank's polyurethane gas tank in a fat-fender Ford.
