THE **New**  
**MODEL 32**

OVER / UNDER

**KRIEGHOFF**

You can state confidently that this tested design is the ultimate development to date of the double-barrel over/under single-trigger shotgun.

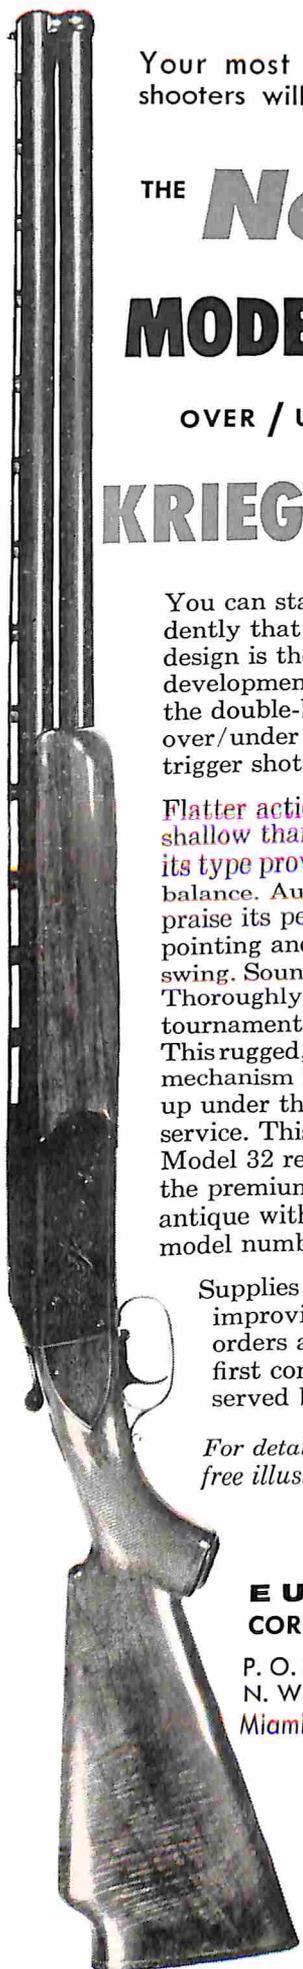

**Flatter action** — more shallow than any gun of its type provides superb balance. Authorities praise its perfect pointing and natural swing. Soundly designed. Thoroughly tested and tournament proved. This rugged, trouble-free mechanism has stood up under the hardest service. This Krieghoff Model 32 reproduces the premium priced antique with the same model number.

Supplies are improving. Firm orders accepted on first come, first served basis.
