You're in the thick of every major sea and amphibious battle in the Pacific, Mediterranean and Atlantic. Discover hundreds of little known facts about World War II...

- Why the Pentagon sent out the alarm of an impending Pearl Harbor attack by WESTERN UNION.
- Why MacArthur's air force was caught grounded on the airfields of Manila 8 hours after Pearl Harbor.
- How the Navy suffered more losses in a single 2 hour battle than it did in World War I and the Spanish American War combined.
- How the defense of the Philippines started a weird U.S. "Battalion" of stray aviators, marines, and native Filipinos in wild psychedelic yellow uniforms.
- How romantic "Bali Hai" of South Pacific fame was a hellhole of malaria that drove out U.S. engineers before they could complete an airfield.
- How a handful of U.S. Navy planes chased away an entire fleet of Japanese battleships even though they had no bombs.
