# This spring, Homelite is picking up the tab for picking up the grass.

If you buy a Homelite riding mower any time between now and May 25, we'll give you a \$74.95, five-bushel capacity grass catcher, free.

What's the catch? There isn't any.

You can choose from the Homelite 5, 7 and 8-horsepower models which are attractive enough in themselves.

They all have anti-scalp

mower decks that conform to the surface of your lawn for more uniform cutting.

The RE-8 lets you shift from forward to reverse without a clutch pedal. So the back wheels don't spin out and neither does the grass under them.

Electric starting is available. And all three come with various

comfort features like adjustable seating, effortless steering and pneumatic tires.

To get in touch with the Homelite dealer nearest you, see the Yellow Pages, or call 800-447-4700 (in Illinois, 800-322-4400), toll free.

You can have from now until May 25 to take advantage of the free grass catcher offer. And rake in a savings of \$74.95.

## HOMELITE® RIDING MOWERS.

Offer good at participating Homelite dealers only, and expires May 25, 1974. Offer void where prohibited by law. Homelite a division, Port Chester, New York
