What's in it for the wife?

The VW Campmobile is for wives who'd rough it, if roughing it weren't so rough.

If your wife likes her great outdoors a touch more civilized, our Campmobile gives her the following touches (as standard equipment):

A double bed (for 2 adults). A hammock sleeps one child and a bench sleeps another.

An icebox with water tank and pump. A

dining table. 2 fold-away utility tables. Louvered screened windows. 2 reading lights. A clothing closet. A linen closet. 5 storage cabinets, and a 3-shelf pantry.

Fiber glass insulation keeps it cool when it's hot. And vice versa.

Your wife can't spend much time cleaning the walls (they're panelled in birch-grain plywood) or floor (it's carpeted with a textured vinyl compound) or uphol-

stery (that's vinyl too).

Options include a side-mounted tent that sleeps 2 more adults, and a ventilated roof section that pops up an extra 2 feet for increased headroom.

We put all these things in the Volkswagen Campmobile for her, just so we could get one thing in it for you:

Your wife
