page 49: how to become a successful muskie fisherman

page 38: elk hunting with father-son comradie

# New for 1972: Browning makes the great outdoors just a little greater.

Write for our free catalog.

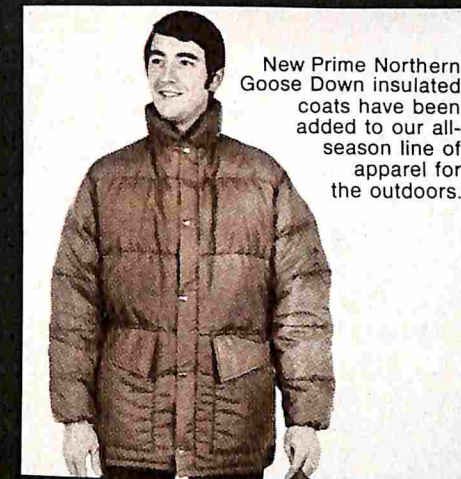

B-SS Side-by-Side shotgun. High quality returns to the classic upland 12-gauge double. Single trigger, automatic ejectors, hand engraved steel and fine checkered woods.

7 x 35 Roof Prism Binoculars. Put the whole outdoors in your pocket with these rugged, slim and lightweight binoculars.

Five new bows for hunting and target, plus a host of new arrows and accessories are added to our tackle for hunting or serious competition.

New Prime Northern Goose Down insulated coats have been added to our all-season line of apparel for the outdoors.

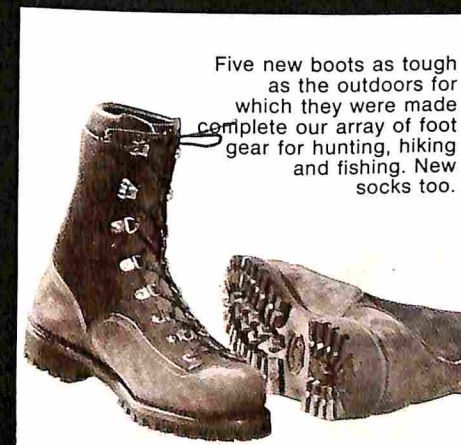

The "Wind River" Tent is a totally new concept in a lightweight two-man backpacker, with a variety of units to accommodate 4, 6 or more.

We've added eight new rods to our Silaflex line. Also a complete array of rod blanks for the do-it-yourself rod maker. Both are high density fiberglass with a glass ferrule to create one-piece action from butt to tip.

Lightweight Sportsman's Rain Suits, Rain Coat and Parka will keep you dry in any foul weather situation.

Five new boots as tough as the outdoors for which they were made complete our array of foot gear for hunting, hiking and fishing. New socks too.
