INTERNET LIFE

## FEATURES

**96 THE TOP OF THE NET**  
Our fifth annual review of the year online, from the Y2K meltdown that never started to the election that wouldn't end

**96 YEAR ON THE NET**  
Our renegade person of the year and the technology that spawned his celebrity; plus the villain, site, event, and catfight of the year

**100 TOP OF THE CHARTS**  
Because you gotta know: the most searched-for men and women on the Web—along with the top e-book, Net film, music download, and more

**106 STORMY WEATHER**  
A blow-by-blow of the yearlong Napster slugfest...set, of all places, on the high seas

**108 THE REST OF THE YEAR**  
A time line of 2000's news and notables... Shatner is a transformed man...CEOs not ready for crime time...sexpot geek may actually breed...going forward by looking back...rest in peace, fallen dot-coms...

**120 BOTTOM OF THE NET**  
Modern Humorist takes us to the places we least want to be

**122 UNUSUAL SUSPECTS**  
By David Kushner  
Those masterminds unleashing computer viruses? It's not who you think
