## Features

### 38 Power Trip

We chase the Tail of the Dragon in 1,110 hp worth of '03 Saleens

### 62 King of the Street

Besting Mother Nature to find the baddest street Mustang in America

### 76 Outer Limits

A supercharged, 825hp, modular flame-thrower that runs in the eights

### 142 Off Restriction

Jay Mingolelli raced his '02 GT convertible in the heavily restrictive Real Street class

### 150 Basic Blackout

J.R. Heuring's ride just might be the baddest black notchback in the country

**On the Cover:** This must have been the month for us to fight the elements. A monsoon forced us to take the King of the Street test indoors, where Mark Houlahan scored a shot at John Garner's KOTS-winning engine. Meanwhile, rain and overcast skies chased Dale Amy while he chased the Tail of the Dragon in a pack of '03 Saleens.
