

"We're looking for people who like to draw"

by **Albert Dorne**
Famous Illustrator

If you like to draw—America's 12 Most Famous Artists are looking for you. We want to test your art talent!

Too many people miss a wonderful career in art—simply because they don't think they have talent. But my colleagues and I have helped thousands of people get started. Like these—

Three years ago Don Smith knew nothing about art—even doubted he had talent. Today, he is an illustrator with a leading advertising agency in New Orleans—and has a future as big as he wants to make it.

Harriet Kuzniewski was bored with an "ordinary" job when she sent for our talent test. Encouraged by us—she started to study at home in her spare time. Soon she was offered a job as a fashion artist. A year later, she became assistant art director. Today, she does glamorous *full color* fashion illustrations!

Cowboy to Artist

A cowboy from Miles City, Mont., studied art with us. Now he paints portraits and sells them for \$250 each. And gets all the business he can handle.

John Busketta was a pipe-fitter's helper with a gas company—until he did something about his urge to draw. Now he's an artist in the advertising department of the same company. At a big increase in pay!

A great-grandmother in Ohio decided to study painting in her spare time. Recently, she had her first "show"—where she sold thirty-two water colors and five oil paintings.

A salesgirl in West Virginia who liked to draw got a job as an artist, later became advertising manager of the best store in Charleston.

Free Art Talent Test

How about you? Wouldn't you like to find out if you have the talent for a fascinating money-making art career (part time or full time)? We'll be glad to send you our remarkably revealing 8-page talent test. Thousands of people formerly paid \$1 for this test. But now we'll send it to you *free*—if you sincerely like to draw. No obligation to you. Simply mail the coupon provided below.

Here is the AMERICAN HOME's new home. Our old home had reached the overflowing stage as the staff grew and grew. So now we're on the 13th floor of this brand-new building where we've room aplenty for today and tomorrow. And though our home is new—from modern kitchens to complete workshops to spacious offices—our object is still the same: to produce a bigger, better magazine to help you make your home a happier, more attractive place. And this will *always* be our object.
