

"So the 8 of us  
had a reunion—"

WHEN Mrs. C. F. Atkins of Grand Rapids, Michigan, visited her old college roommate recently, she got a surprise that really took her breath away!

Instead of the cozy reunion-for-two she had expected, she found six other old friends there that she had never thought to see again!

The weekend started off with a gay gab session, says Mrs. Atkins in her letter. And when the chitchat ended, in the wee, sma' hours, the hostess showed her friend to the guestroom, and turned down the bed.

Then came the surprise! For, says Mrs. Atkins:

"There on the bed were two of the six Pequot Sheets I had given my friend as a wedding gift many years before."

What's more, the other four sheets were also still in use... though two had been retired to a quiet old age as curtains at the bedroom window. Mrs. Atkins was thrilled that:

"Like our friendship, those Pequots were still going strong! You've got to hand it

to Pequots for real down-to-earth wear."

Down-to-earth wear, and heavenly-smooth, soft texture... that's what women have loved about Pequot Sheets for four generations.

If you want sheets that wear like your favorite friendship, get smooth, close-woven muslin Pequots... with double-tape selvages for extra strength, and projecting size tabs for quick identification on the shelf. Pequots are America's most popular sheets!
