

"THAT MAN OF MINE..."

"How he can take it! Day after day he works hard and he plays hard... He's the kind of a guy who just has to have a good night's sleep to relax him from each day's fatigue and to prepare him for another active tomorrow. That's why I was so careful in selecting sleep equipment. At my favorite store I asked for the 'inside story' about mattresses and box springs. When they explained all about Spring-Air 'controlled comfort' I said, 'That's what my man and I want.' Now that we have chosen Spring-Air, we 'Sleep Right—Wake up Bright.'"

Despite shortage of materials, Spring-Air has not lowered quality standards in order to maintain production, and will not do so. You may not be able to find Spring-Air at once, but you can be sure of full value and "irresistible comfort" when you do!

IRRESISTIBLE COMFORT

Made with the famous Karr innerspring construction, using as many as nine different type coils, each performing its own part in "controlled comfort" . . . assuring individual comfort regardless of the . . .

Sit on it, feel it, test it in any way you wish. . . Look at the design, ticking, vents, grips, tailoring. . . You'll find Spring-Air tops in every respect! When you sleep on Spring-Air, you'll know you chose wisely.
