

Have You Seen This NEW DISCOVERY about Hot Water?

It's "packaged-in-glass" hot water—and it means cleaner, purer, automatic hot water for your home, absolutely free of tank rust or corrosion stain!

Gas or electric

Would you and your family enjoy it? Then let the *Permaglas* Water Heater give you this great convenience and health protection—now.

Tank rust that ruins clean laundry... corrosion dirt that soils your bath—banish them both with the modern water heater that gives you "packaged-in-glass" hot water.

Smooth modern beauty, too, with baked-on-steel enamel, gleaming white. No legs, no outside gadgets, no pipes where they show!

And always—all the clean hot water you need for every home use. Fully automatic.

No Rusting-No Corroding

The *Permaglas* Water Heater tank is glass-fused-to-steel, sanitary as a clean drinking glass. No matter what kind of water you have, the tank CANNOT rust or corrode. See this modern water heater today. At leading public utilities, merchant plumbers, and better appliance dealers or write the nearest office below for complete information.
